

This cardholder agreement ("Agreement") sets forth the rights and responsibilities of your CUMONEY Visa TravelMoney Card ("Card"). Your Card was issued by Service Credit Union ("SCU"). ICUL Service Corporation ("Envisant") administers the CUMONEY Visa TravelMoney Card program. In this Agreement, "you" and "your" mean the cardholder and "we" "us" and "our" mean SCU and/or Envisant. This Card is not a credit union membership account, does not earn dividends, and is not federally insured with the National Credit Union Administration. SCU is insured by American Share Insurance. "ATM" means any terminal at which you use your Card to access your Card funds. "Funds Balance" means an amount equal to the United States Dollar amount you add to your Card initially and from time to time thereafter, minus any amount obtained by you through the use of your Card, and minus any fees, charges, conversion fees and other expenses incurred in connection with your Card.

Our business days are Monday through Friday, excluding federal holidays, even if we are open. Any references to "days" found in this Agreement are calendar days unless indicated otherwise.

Write down your Card number and the customer service number (1-833-729-2853) provided in this Agreement on a separate piece of paper in case your Card is lost, stolen, or destroyed. Keep the paper in a safe place. Please read this Agreement carefully and keep it for future reference. This Agreement applies to plastic Cards (a physical plastic card) and virtual Cards (an electronic prepaid card account without a physical plastic card).

Card Activation and Personal Identification Number. For a plastic Card, you must sign the back of your Card and activate your Card before use at www.cumoney.com or by calling 1-833-729-2853 and following the instructions. You can visit www.cumoney.com or call 1-833-729-2853 to select a four-digit Personal Identification Number ("PIN"). The PIN allows you to process your Card purchase as a debit transaction and to use your Card to make cash withdrawals at an ATM. This card is non-transferable and only the person who purchases the Card is authorized to use the Card. Please do not give your Card to anyone else to use. If you require additional cards, please contact your credit union branch.

For a virtual Card, you must activate your card and create a PIN by following the instructions provided by email with the virtual Card.

Card Features. For a plastic Card, your Card is accepted anywhere worldwide that Visa cards are accepted. For a virtual Card, your Card is accepted for electronic commerce ("e-commerce"), mail order, or telephone orders, anywhere worldwide that Visa cards are accepted. You may also use your virtual Card in person at merchants through a mobile wallet such as Apple Pay, Samsung Wallet, Google Pay and Garmin Pay. Features of your Card include: 24/7 live operator support to cardholders; Lost and Stolen Card Reporting Services; Cardholder Inquiry Services; Emergency Card Replacement Services; Emergency Cash Services; Lost Luggage Reimbursement; Purchase Security; Roadside Assistance; and Travel and Emergency Assistance Services. For more information on these features, visit www.cumoney.com or call 1-833-729-2853.

Using the Card. You may add funds for an initial load in a minimum amount of \$100, and for reloads in a minimum amount of \$10, with a maximum of \$5,000 at any time. You may use the Card to withdraw funds, receive cash advances, make PIN-based transactions, and/or merchant purchases. You may use the Card to make and receive person to person ("P2P") transfers of any amount. P2P transfers to your Card are not a "value reload" and are not subject to the value reload fee. You may be asked to sign a receipt or enter your PIN for the transaction. The dollar amount of the purchase will be deducted from your Funds Balance. For merchant PIN transactions, you may make 25 transactions daily, with a \$2,500 daily maximum or your Funds Balance, whichever is less. For merchant signature purchases, you may make 25 transactions daily with a \$5,000 daily maximum or your Funds Balance, whichever is less. We are not responsible for a merchant's refusal to accept your Card. If you give your Card to another person or allow another to access your Funds Balance, you will be deemed to authorize all transactions until you give us notice that further transactions are not authorized.

Some merchants do not allow cardholders to conduct split transactions where you would use the Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Card to the Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to using your Card, your Card is likely to be declined if the balance is less than the total transaction.

If you use your Card at an automated fuel dispenser ("pay at the pump"), the merchant may preauthorize the transaction amount up to \$75.00 or more. If your Card is declined, even though you have sufficient funds available, pay for your purchase inside with the cashier. If you use your Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, there may be a preauthorization of the transaction amount for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. Any preauthorization amount will place a "hold" on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount. You do not have the right to stop payment on any purchase or payment transaction originated by use of your Card. You may not make preauthorized regular payments from your Card Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days. For a list of the current hold amounts, please visit www.cumoney.com.

If you use your Card number without presenting your Card (such as for a mail order, telephone, or e-commerce), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make with your Card. Your Card cannot be redeemed for cash. You may not use your Card for online gambling or any illegal transaction. You may not use your Card for any unlawful purpose, including the purchase of goods or services prohibited by applicable laws or regulations.

Each time you use your Card, you authorize us to reduce the value available on your Card by the amount of the transaction and any applicable fees. There is no overdraft protection with your Card. You are not allowed to exceed the available amount on your Card through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Card, you shall remain fully liable to us for the amount of the transaction and any applicable fees.

ATM Transactions and Cash Advance. You may use your plastic Card to make ATM withdrawals and a virtual Card may be used at ATMs through a mobile wallet if the ATM is enabled for contactless transactions. Your Card may be used at any ATM with the Visa Plus logo or any of the other logos on the back of your card. You will need to enter your PIN and follow the ATM instructions. You may make up to 3 ATM withdrawals per day, with a \$500 daily maximum or your available funds balance, whichever is less. Our fees are listed below. There may be additional fees and/or limitations established by the ATM owner or operator. You may also obtain a cash advance over the counter at any Visa Member financial institution. You may request 2 cash advances daily, with a \$1,000 daily maximum or your available funds balance, whichever is less.

Returns and Refunds. We are not responsible for the delivery, quality, safety, legality or any other aspects of goods or services that you purchase from others with your Card. All such disputes must be addressed and handled directly with the merchant from whom those goods or services were provided. If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds and agree to the refund policy of that merchant.

Expiration. Your Card will expire when the "good thru" date printed on the front of your Card or on your virtual Card has passed. The funds on the Card do not expire. You will not be able to use your Card after the expiration date; however, you may request a replacement Card by following the procedures in the paragraph labeled "Card Replacement". Unused funds may be turned over as unclaimed property pursuant to applicable law.

Card Replacement. If you need to replace your Card, please contact us at 1-833-729-2853 to request a replacement Card. You will be required to provide personal information which may include your 16-digit Card number, full name, transaction history, and other relevant information. Virtual Cards will only be replaced with another virtual Card and plastic Cards will only be replaced with another plastic Card.

Receipts. You should get a receipt at the time you make a transaction using your Card. You agree to retain, verify, and reconcile your transactions and receipts.

Card Balance/Periodic Statement. You are responsible for keeping track of your Card's available balance. Merchants generally will not be able to determine your available balance. It's important to know your available balance before making any transaction. You may access your available balance by calling 1-833-729-2853, visiting www.cumoney.com, or via the CUMONEY Mobile App.

Your Liability for Unauthorized Transactions. Contact us at once if you believe your Card has been lost or stolen so that your Card may be blocked or reissued. Telephoning us as soon as possible is the best way to minimize your possible losses. If you believe your Card has been lost or stolen, or that someone has transferred or may transfer funds from your Card without your permission, call us at 1-833-729-2853 within two (2) business days. Under Visa U.S.A. Inc. Operating Regulations, your liability for unauthorized Visa transactions on your Card is zero if you were not negligent or fraudulent in the handling of your Card. Visa Zero Liability policy covers U.S.-issued cards only and does not apply to ATM transactions, PIN transactions not processed by Visa, or certain commercial card transactions. Call us at www.cumoney.com or www.visa.com/security for more details. We reserve the right to require a written statement from you and to conduct an investigation into the validity of any claim of an unauthorized transaction. You agree to cooperate with any investigation we may make.

Limitation of Our Liability. We will not be liable to you under certain circumstances, including: (a) if you fail to complete a transaction; (b) if, through no fault of ours, you do not have enough money on your Card to make the transaction (the transaction exceeds your Funds Balance); (c) if the ATM or data processing system is not working properly; (d) if an ATM does not have enough cash; (e) if you attempt to withdraw more than the ATM limit; (f) if your transaction is rejected due to preauthorization procedures; and/or (g) if circumstances beyond our control prevent the transaction.
